

## Bonehill Lodge Newsletter

Firstly we would like to thank all that bought tickets at our Halloween raffle. We raised £84 in total which has been spent wisely on arts and crafts for the festive season. The residents have already been making Christmas cards and they are currently starting a Christmas display in the dining room.

We have also very generously been donated £1,000 from a local charity called "The Gentlemen's Night Out" to help give our residents a good Christmas. We have never had such a wonderful donation and plan to treat every resident over Christmas by providing lots of entertainment throughout December. We are very grateful for this large amount of money and all of the staff are overwhelmed that we can give our residents a Christmas they deserve.
