

NEWSLETTER JANUARY 2013

The staff and residents of Bonehill Lodge would like to wish everyone a Happy New Year and thank you all for your support during 2012. We hope you will continue to offer your support during the forthcoming year.

We would also like to thank the “The Gentlemen’s Night Out” who, following their kind donation before Christmas, have donated a new 50 inch TV and stand that should be set up in the home by the time you read this newsletter. The Gentlemen’s Night Out is a Birmingham based charity which distributes funds predominantly within the West Midlands region. Please visit www.thegentlemensnightout.co.uk to read about some of the great work they are doing.

We had an active Christmas with a meal at the Cotton Arms, carol singers, puppet show, fish and chip suppers, fancy dress day, party and trip to Planters!! The photos should be out on display soon with an opportunity for you to purchase a copy for £1 each.

The new roof is now complete and we would like to thank you for your patience whilst there was scaffolding and builders everywhere! A new fire alarm has also been installed and work has begun on the fire doors to bring them up to current safety regulations.

Not wanting to rest on our laurels, we are in the process of planning our events for this year. So far we have our “Dignity in Care” day on 1st February which is about giving the residents a memorable day, so we are having a 1940’s themed event where the staff will be dressing up and holding a street party for the residents (weather permitting). Visitors are welcome to join throughout the day and enjoy a cuppa and a cake with us. Our old friend Damien will also be coming along at 2pm to provide us with some entertainment. We have also booked Elvis for our Valentine’s Day celebration! He is joining us on the 14th Feb 2pm, all welcome.

Last but not least we will be holding a special memorial for the staff and residents on the 29th January to remember the two residents who sadly passed away recently. We will miss them dearly xx

The Team at Bonehill Lodge
