## **Spring Newsletter 2013**

**Welcome to the Spring 2013 edition of our Newsletter. We would firstly like to thank everyone who attended our Easter party on 31<sup>st</sup> March where we raised £69. We will be spending this money wisely on arts and crafts for residents.**

**We had a fantastic time and all of our residents seemed to enjoy the day with entertainment from Elvis who commented how welcome he feels when he comes to Bonehill. Elvis judged our Easter bonnets with the following results**

**1<sup>st</sup> place Mary Buswell**

**2<sup>nd</sup> place Mary Cluley**

**3<sup>rd</sup> place Edith Court**

**We have also enjoyed a “80s day” for Comic Relief which raised over £100 for the cause with a carer sitting in a bath of gravy!!**

**In April we have the museum bus coming on the 16<sup>th</sup> between 2 and 4pm which the residents enjoy, then on the 18<sup>th</sup> we have the Donkey Sanctuary bringing in Star the donkey, again something which proved quite popular last time around. The staff at Bonehill have been thinking about sponsoring a donkey on behalf of the residents too. This is currently being looked into.**

**We are planning to hold a Summer Fayre or garden party (weather depending) so any ideas and support will be greatly received.**

**In the entrance hall you will find the results and action plans from your quality assurance forms. Thank you for taking the time to fill these in.**

**Once again thanks to those who have supported us. We hope you continue to do so throughout the year. We do appreciate all the support we get, as it helps us provide more meaningful activities for your loved ones.**
